The beauty of brick

This impressive brick home's decorative use of brick detailing around the windows creates a home with abundant curb appeal. The living room features a dramatic cathedral ceiling and a two-way fireplace. The fireplace in the family room adjoins a built-in entertainment center. This room is sure to be the hub of family life in the home. Notice the oversized kitchen island which can easily double as a snack bar. The kitchen boasts a pantry and built in desk as well as ample cabinet and counter space

Photos or renderings will vary from actual plan.
