### Stone, stucco, and abundant space

The mixture of stone and stucco gives this elegant home a cozy feel. The spacious foyer leads into a living room, which has a 10-foot ceiling and plant shelf. The breakfast/hearth area is directly off the living room and leads into a spacious kitchen. A powder room sits between the kitchen and the formal dining room. The main-level master suite has a sloped ceiling and huge walk-in closet. The upper level has three more bedrooms, one of which has its own bath.

Photos or renderings will vary from actual plan.
